Spring 2018 CEP placement is now complete. Denial emails went out on July 20th. The window to apply for the Fall 2018 semester will be open from November 1st through January 31st.

The initial round of Traditional Placements will start Monday, September 11th. The selected students will have 10 days to respond. If necessary, there will be subsequent rounds as needed, until all remaining spots are filled. We hope to have traditional placement completed by the end of October.
